

Community Family Services of Ontario's 9th Annual Plant-a-Tree Fundraiser

May 11, 2025 (Richmond Hill) – Community Family Services of Ontario (CFSO) concluded its ninth “Plant-A-Tree” community fundraising event at Phyllis Rawlinson Park in Richmond Hill on Sunday, May 11, 2025, to fundraise for its ongoing services while helping environmental conservation. With the expertise of partner Toronto Region Conservation Authority, hard work of 112 volunteers, generous support from donors and sponsors CFSO successfully planted 150 trees and raised over \$11,575 to sustain mental health, family therapy, newcomer support, and disabilities and special needs at the frontline.

Dr. Anna Victoria Wong, Executive Director of CFSO indicated that “A society with sustainable safety, mental wellness, and environmental resources is only achievable by the collective efforts of all. Canadians – new and settled – rely on ongoing services for mental wellness, family harmony, and skill empowerment. We are very grateful for the support from the City of Richmond Hill, Toronto and Region Conservation Authority, volunteers, donors, and sponsors that have made this event and ongoing community wellness a reality.”

City of Richmond Hill Ward 3 Councillor Castro Liu attended the event and thanked CFSO's ongoing effort to the local communities. “I am proud to support CFSO's tree planting fundraising event to continue their support with the enrichment of Phyllis Rawlinson Park of Oak Ridges Moraine in Richmond Hill.”

City of Markham Ward 2 Councillor Ritch Lau also attended, “To optimize the reach of CFSO's services, I am happy to report that City of Markham has successfully secured a space where CFSO can serve our residents.”

Teresa Tsui, Vice President of CFSO's Board of Directors thanked all community partners for their support. “The Board is thankful of the support from Title Sponsor Simon Chu; and Bronze Sponsors Andrea Chun, RBC, Andrew Li, and Danny Au-Yeung of IA Wealth Management, and our staff, volunteers, and donors for their support and hard work to empower CFSO to continue to meet the increasing demands of the community.”
